Eurest innovates and reinvents school catering for children through a new concept adapted to the well-being of each individual:

équilibre & Co

TU SAIS TRÈS BIEN CE QUI TE FAIT DU BIEN !

You already know what's good for you!

EQUILIBRE & CO is a concept specially designed by Eurest for young people with the goal of changing their eating habits in the long-term.

Equilibre & Co gives the new generations all the flavour and benefits of a healthy, balanced, varied diet thus meeting their nutritional needs and overall, teaching them the concept of "healthy eating".

With Equilibre & Co, the children are directly and completely involved in their meal choices thanks to educational, eye-catching signs, guiding your child to choose good meal combinations based on their needs.
