### MISCELLANEOUS

#### Reminder – Requests for permission of absence

In case of an absence during the week preceding or following a holiday period, a medical certificate will always be required, even for less than 3 days (please see *Memorandum for parents 2018-2019* published on our website <http://www.eel2.eu/en/page/memorandum>).

#### Phones at school

Please remind your child that the use of mobile phones at school is forbidden. If your child needs to bring a mobile phone to school, please remind him/her that it should be turned off and placed in his/her school bag.

We noticed that some pupils own a connected watch. We draw your attention on the fact that this equipment does not seem suitable for Primary school pupils and can disturb their work at school.

### Car Park

To ensure the safety of everyone, please follow the rules of good conduct and courtesy in the school car park. Please make sure that you only park your car in the designated places.

### Buses

If your child uses school transportation, please remind them regularly that it is obligatory to use a seat belt. The entire teaching team will do the same.
