### Various Lost clothes

Winter is here and the children usually wear gloves, hats and scarves. Thank you for writing their name in all clothes. We will be able to give them more easily in case they lose them ...

### Car park

To ensure the safety of everyone, please follow the rules of good conduct and courtesy in the school car park and roads and park your car on authorized places only.

### Pedagogy

The Nursery cycle will begin a common project "tales". All the classes of the cycle are involved. This is a very beautiful project, very rewarding for our students.

In order to offer ever richer teaching tools to teachers and students, we began months ago the installation of stages, real little theaters, in the music rooms of the nursery and primary buildings. These are partially installed and will be finalized before the end of this school year. This project was realized with the financial support of APEEEL2.

**Carnival holidays dates:** Friday 15/02/19 after school to Sunday, 24/02/19. Back to school on Monday 25/02/19.
